Life Energy Motion

Reason of this obsolescence:

Present supplier for the packaging (SO8 case) is stopping activities suddenly on September 30th, 2019.

Alternative models: GO xx-SME models.

Hereafter the deadlines for these models:

Maintenance: from today

Last call orders: Mid October 2019. After what any orders will be refused.

Obsolescence: End November 2019

LEM International will continue to support the repair of the concerned finished products.

LEM International will repair defective items returned to LEM International and will invoice the customer at the prevailing rate for time and materials.

Sincerely yours,

Stéphane ROLLIER
LEM / Product Manager
