Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

At Phoenix Contact, we aim to provide customers with state-of-the-art products for their applications. It is necessary at times to phase out some components from our product range for commercial or technical reasons. This correspondence is therefore notice of the discontinuation of some high-current feed-through terminal block variants. The final order date for these parts is March 31, 2022 with a final delivery date of September 30, 2022. Thank you for your understanding, and we look forward to continuing our successful cooperation.
